Washington DC, USA

Washington DC is the Capital city of United States of America. Washington DC is an important world political capital as it is the home of Federal Government of the United States of America and several international organisations. Numerous national monuments and museums are located around Washington. The city is home to 177 foreign embassies and the headquarters of numerous international organizations, trade unions, non-profit organizations, lobbying groups, and professional associations, including the World Bank Group, the International Monetary Fund, the Organization of American States, the National Geographic Society, the Human Rights Campaign, the International Finance Corporation, and the American Red Cross.

Washington is a fascinating city with several personalities: it is a bustling federal capital, an international metropolis, and a lovely tourist destination, a magnificent treasure trove of the country's historic sites and artifacts, as well as a cosmopolitan centre which preserves a small-town feel. It is one of the most popular tourist destinations of United states with over 20 million visitors per year. The hundreds of outdoor sculptures and monuments that decorate the city's parks, gardens, buildings, avenues, and cemeteries contribute significantly to the city's beauty.
